

COVID-19 Risk Assessment Guide

Please see below the measures we are taking to ensure the safety of our customer and ourselves:

Hand Washing

Hand washing facilities with soap and water have been provided and are maintained in a clean and hygienic condition.

Stringent hand washing and drying taking place by both us and all our staff.

Hand sanitiser is in any area where washing facilities not readily available.

Food handling will be done by one person only who will be wearing food safety gloves.

Cleaning

We are cleaning and disinfecting objects and surfaces that are touched regularly, particularly in areas of high use such as door handles, light switches and reception areas using appropriate cleaning products and methods.

Social Distancing

Social distancing will be maintained. People must stay at least 2 metres apart.

Hand sanitisers will be available on entry and all persons are required to use them.

Contactless payments will be made where possible to reduce cash handling.

Bedrooms

We will disinfect objects and surfaces that are touched regularly, including bathrooms, door handles and light switches.

We have removed the Aylworth Manor brochures from the bedrooms along with maps, magazines, general brochures and books.

Please let us know if you have any suggestions or queries.

Health and Safety during the COVID-19 Outbreak for our Holiday Lets and Bed and Breakfast.

This risk assessment describes the hazards and controls required to prevent the spread of COVID-19 virus during the current pandemic.

This assessment will be reviewed regularly in line with Government advice:
